FIFTEEN CENTS

90 apartments for elderly

By BEVERLY CARY

The Illinois Housing Development Authority has approved senior citizen housing funding for Antioch which would allow a private developer to begin construction on 90 apartments.

The Antioch village board discovered the funding approval at Monday's meeting.

Mayor Michael J. Haley said, "We've waited long enough for senior housing and I am happy that it has been approved."

THE SENIOR citizen housing area has been zoned just north of the Antioch Aqua Center. Village Clerk Marilyn Sterbenz said originally the village had asked for funding of 120 apartments.

She added that construction can now begin on the apartments by a private developer.

Also at the meeting, the board okayed the purchase of collision insurance covering the four village fire vehicles at a cost of \$572 per year.

THE POLICE department also reported that its members have recently completed several specialized courses, ranging from dispatching to homicide.

Chief Chuck Miller and Lt. Tom Fisher completed courses in homicide investigation.

Officer Stan Revell finished his basic police training in a 258-hour course, and Dawn Michaels completed a two-week course in dispatching.

Also, Officer Robert Lange will attend juvenile officers' school in Champaign in April.

Lt. Fisher has been requested to travel to North Dakota on police business. The board authorized payment of his travel expense of \$300.

The police department also reported its activities during December.

Chief Miller said, in that month, there were 59 accidents, 10 juvenile apprehensions, 14 vandalism cases and 2 stolen vehicles.

No burglary cases were reported.

Distinguished Service Awards to be given by Antioch Jaycees

The Antioch Jaycees will be presenting Distinguished Service Awards on Feb. 3.

The awards are to recognize the outstanding young people of Antioch. They will be awarded to men and women between the ages of 18 and 36.

The purpose is to point out the people who haven't had the time to have their full impact in Antioch but are becoming the community leaders of tomorrow through their service to Antioch today.

The awards will be given in several categories: outstanding young educator, religious leader, public servant and outstanding young person.

THE OUTSTANDING young educator can be anyone involved in teaching. He or she does not have to be employed as a teacher.

Your Sunday school teacher, for example, is perfectly eligible for this award.

Sunday school teachers also fit in the second category, outstanding young religious leader. Anyone who helps others develop their faith is eligible for this award.

The outstanding young public servant category includes anyone who serves the general populace. This includes those employed to help us and those who do it on their own time.

The members of the Rescue Squad come immediately to mind, but certainly, they are not alone in serving the community.

"And just because someone is paid to serve the community does not mean his or her efforts aren't worth receiving this award," a Jaycee spokesman said.

THE OUTSTANDING young person award is not a Please turn to page 4

3 trustees to run for re-election

Three members of the Antioch village board will be running for re-election on April 17.

They are Edgar Simonsen, Arnold Weber and William Seemann, whose terms are expiring.

They have taken out petitions and apparently will be seeking new four-year terms on the board.

The last day for filing petitions for the April election is Feb. 13.

Mayor Michael J. Haley said Tuesday that he understands Simonsen, Weber and Seemann will run as a team under the "Citizens Party" banner.

Lions install new officers

The Antioch Lions Club installed its 1979 slate of officers Monday night at the Country House restaurant as Tom Haley began his term as president of the club.

The list of officers for 1979 include:

Henty Glenn - secretary.
Jim Swiatek - treasurer.
Don Morris - past president.

Paul Eckert - first vice president.
Jim Knigge - second vice president.
Jay Džiki - third vice president.
Paul Mag - two-year director.
Chuck Cermak - one-year director.
Joe Hunley - one-year director.
Bruce Ahlquist - Lion Tamer.
Brad Ipsen - Tail Twister.

"THIS BALL BELONGS to Antioch," says rebounder Chris Oddsen (dark jersey) as he helps the Sequoits win at Lake Zurich, 66-62. This Friday night, the Antioch team returns to conference play against Stevenson here, 8 p.m. The teams are tied for the lead with 4-1 records. (Andy Dugenske photo.)

Chamber to install officers

Bill Bishoff, owner of Western Auto, will be the 1979 president of the Antioch Chamber of Commerce & Industry.

Mr. Bishoff will replace Bill Patterson as president. Mr. Patterson will join the board of directors, which includes Dick Kirkpatrick, Pat Sershon, Mark McKinney, Dan Dugenske and the three recently elected members, Bill Groening, Bernie Gunty Sr. and Robert Taubitz.

OTHER 1979 OFFICERS to be installed at the

installation dinner-dance on Saturday, Jan. 20, at the Country House will be Mr. Dugenske, first vice president, Mr. McKinney, second vice president, and Mrs. Sershon, secretary-treasurer.

Invitations to the dinner-dance have been mailed.

Lee Trezise, executive secretary of the Chamber, said, "If you did not receive an invitation and would like to attend, please contact the Chamber office by calling 395-3381 any weekday between the hours of 9 a.m. and 4 p.m. Tickets are still available and we encourage your attendance."

House fire damage: \$600

A house fire in Channel Lake which was caused by faulty heating tape in a crawlspace resulted in about \$600 in damages Sunday afternoon.

Antioch Fire Chief Todd Mapletrope said the fire

started in Edward Krissen's home on Maple Avenue after faulty heating tape used to keep the water pipes from freezing ignited in the crawlspace.

Mapletrope said Krissen told him he was glad he

had the new 911 emergency number on his telephone which helped him reach the fire department in time.

Mapletrope said the crawlspace was the only section damaged.

Blood Donor day scheduled at St. Peter's

January is National Blood Donor Month and St. Peter's parish in Antioch will have its seventh annual "blood drawing" on Saturday, Jan. 27, in the social center from 9 a.m. until 3 p.m.

Gloria Grealis, a member of the committee, said, "The precious gift of life you will give will also be an investment in your family's future blood needs."

"Your pint of blood will ensure your family, including parents, parents-in-law, grandparents, and great-parents-in-law, wherever they may reside, that any need they might have for blood during the coming year will be fulfilled, be it one pint or 100 pints."

"We realize that not everyone can be a donor due to age or medical restrictions," Mrs. Grealis said, "but if each person in the parish who is eligible gives that one precious pint, our quota of 180 pints will be reached and all parishioners will then be guaranteed of the availability of blood for their needs and those of their families."

A minimum of 200 volunteer donors are needed to assure fulfillment of the quota, she added.

Ellen Barr Ipsen (395-2884) and Mrs. Grealis have enlisted volunteers who will be calling to confirm the appointed times for donations.

"Even if you don't qualify as a donor," Mrs. Ipsen said, "We need volunteers to help the program run smoothly."

CPR seminar set for Jan. 21

Learn how to perform a death-defying act! Learn CPR at the Public Service Seminar at St. Therese Hospital, 2615 W. Washington, Waukegan, on Jan. 21 from 1 p.m. to 6 p.m. Registration is free.

Enrollment is limited. Call 244-8600 to sign up for the next CPR training class. The seminar will be repeated Apr. 1, Sept. 23 and Nov. 4 during 1979.

CPR is a means through which a trained person or team of persons can manually apply external stimulation to simulate the function of the stopped heart while providing a breath of air for the non-breathing victim of cardiac arrest until professional or paramedic help arrives. Not only is CPR effective for victims of heart attack, but also a life-saving technique for victims of drowning, suffocation, smoke inhalation, poisoning, electrocution and drug overdose.

The classes are sponsored by St. Therese Hospital, Northern Ill. Emergency Physicians, the Waukegan Fire Dept. and the American Heart Assoc. Certified instructors, using AHA teaching aids, will conduct the seminar.

During the past year, 350 people from Waukegan and the surrounding communities received CPR training at 4 basic training sessions conducted at St. Therese Hospital.

Snowmobilers can reduce injury

Snowmobiling is becoming more popular each year as a fun-filled and exciting winter sport. Snowmobiles, however, can cause serious injury if not properly used.

Here is some advice for snowmobile users that will help them enjoy the sport more by cutting down their risk of injury.

FIRST, WHEN PURCHASING a snowmobile, look for these features:

- Guards for the drive chain and all other moving parts. Many people have been injured by getting their clothing entangled in the machine.
- Strong and easy-to-reach passenger handgrips.
- Adequate padding on the dash, steering bar and back end of seat. Exposed or poorly covered hardware at the back of the seat can injure the driver or passenger when riding over rough terrain.
- A snowflap in the back to keep snow off the taillight.
- A windshield which does not have a sharp stiff edge for the driver to be impact upon in case of a collision.
- A good instruction and maintenance manual.

SECONDLY, WHEN USING your snowmobile, follow this checklist:

- Have enough fuel for the trip. It's always wise to start with the tank filled.
- Be sure the drive belt is in good condition.
- Align and tighten the ski assemblies.
- Check the track for tension and free movement.
- Be sure the handlebars turn freely.
- Check the weather forecast so you don't get caught in a storm.
- Operate the throttle and brake controls several times before you start the engine. Stuck or frozen controls can cause serious injuries.
- Locate the emergency shut-off switch. If the throttle sticks, hit the shut-off switch.

WHEN OPERATING your snowmobile, always wear goggles, a helmet with a chin strap and warm, protective clothing.

Never wear scarves, loose belts or clothes that could catch on moving parts or tree limbs. Don't speed ... your brakes have to be applied slowly and evenly, just as in a car on snow-covered roads.

And, be alert ... the noise of the snowmobile may prevent you from hearing approaching trains, cars or other snowmobiles.

Reed explains her vote on legislative salaries

State Representative Betty Lou Reed of Lake County said her "present" vote at the Jan. 5 special session of the Illinois General Assembly was consistent with her original "No salary increases for state officials" position.

Reed said that if she had voted "yes" to roll back the salary increase she would, in fact, be voting for a \$4,000 legislative increase in salary in 1979 with an additional \$2,000 increase for 1980 and '81.

If Reed had voted "no" she would have been approving the \$28,000.00 salary the legislators voted themselves in December, she said.

REED SAID SHE refuses to be caught in the middle of the salary-increase fracas when the fracas was not of her making.

"I voted 'no' originally on the proposed salary increase and the only alternative that I have to remain consistent with my promise and original vote, on behalf of my constituents, is a 'present' vote.

"To respond to call to special session is my responsibility as a representative of the 32nd District but the 'present' vote is my only alternative in order to remain in opposition to any salary increase," she said.

Complaints about high taxes apparently were listened to

Responding to pleas of homeowners seeking relief from high real estate taxes, the Lake County Board of Review has decided to equalize the assessed value of all 18 townships at 25 percent instead of the statutory level of 33 percent.

H. Don Morris, chairman of the Board of Review, said "This will result in much smaller factors than those indicated for some townships and will increase the number of townships receiving either a negative factor or no factor.

These factors, by law, do not apply to land that has been designated farmland.

MORRIS SAID THAT taxpayers are warned by the Board of Review that this effort may become only a feeble protest on its part unless the state legislature takes immediate action to reduce the statutory level of assessment and taxing bodies reduce spending.

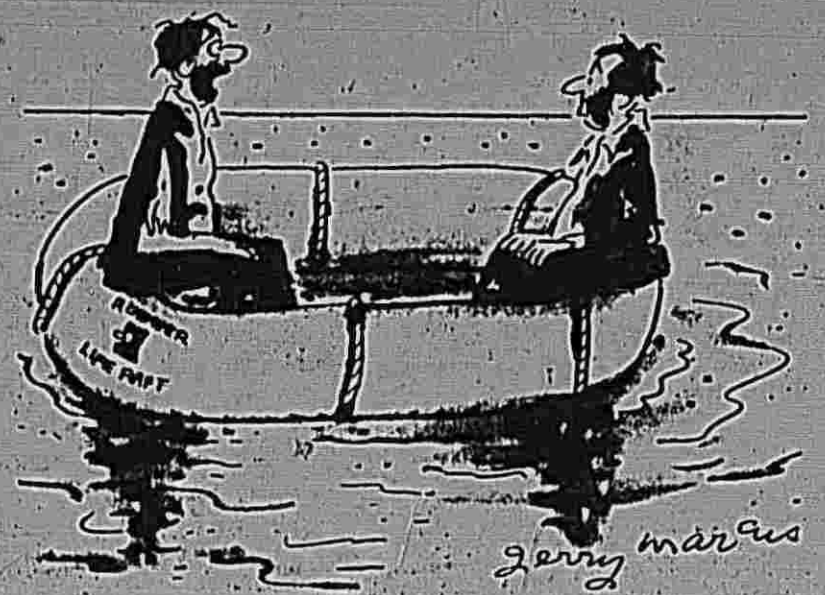

The Department of Local Government Affairs has a statutory duty to equalize the assessment levels between counties and will apply a factor to bring all Lake County assessments (except farmland) to 33 1/3 percent of market value unless the legislature acts.

THE RAPID INCREASE in real estate assessment resulted from the state statute that requires real estate to be assessed at 33 1/3 percent of market value. In this period of rapidly escalating market values of real estate, Lake County has experienced an average of 15 percent rise annually in prices paid for homes. The result is an unwarranted increase in assessed values on real estate.

"Some taxing bodies anticipate increases in assessed values and increase the dollar amount requested from taxes. Those who do so increase the amount of money they receive and place an additional burden on the taxpayers," Morris said.

He added that the Board of Review of Lake County is challenging the state of Illinois "to respond to this crisis at once. Taxing bodies in Lake County are urged to trim their budgets and reduce their levies. Both actions will reduce 1978 tax bills if taken in time."

Morris added: "The Board of Review strongly recommends that all concerned taxpayers contact their state legislators and urge them to immediately lower the 1978 assessment level to 25 percent of fair market value and to change the state statutes to limit increases in spending by local taxing bodies to a reasonable percentage of the previous year."

Family fire-escape plan important in saving lives

Seconds can save lives when a fire hits your home, and using those seconds wisely is imperative.

The formation of a family fire-escape plan was the subject of a program given by John Scott, regional coordinator of public relations for the Country Companies, when he spoke to the "Friends of Faith" at Antioch's Faith Lutheran parish.

Scott said development of a fire-escape plan should include mapping the fastest exits from every room - not depending totally on the use of doors and stairs; making sure everyone knows how to escape from each room, especially his own bedroom; learning the proper way to use

doors and windows; learning how to crawl and how to jump; picking an outside assembly point, and learning how to call for help.

"PERHAPS THE MOST important part of a family fire-escape plan is practice," Scott said. "Test each family member on the fire escape procedure by conducting frequent family home fire drills."

Scott also discussed smoke detectors. The "Fire And Your Safe Escape" program was arranged by the Country Companies public relations department in cooperation with the Country Companies insurance agency in Lake County.

Registration at Carmel H.S.

Registration for the 1979 freshman class at Carmel High School will take place Saturday, Jan. 13. All eighth grade boys and girls who plan to attend Carmel next September must come to the school this Saturday to register and take a series of ability and achievement tests. The test results, along with information received from the student's elementary school, will be used by Carmel to schedule the student for next year.

The testing will begin at Carmel at 8:30 a.m. and will continue until about 12:30. No student can be admitted after 8:30.

There is a \$5 testing fee.

A bus will be at St. Peter's in Antioch at 7:15 a.m. for the trip to Carmel and at Prince of Peace, Lake Villa, at 7:45 a.m.

Students will be returned to the point of pick-up after the tests.

Clinic at St. Peter's Jan. 17

A combined immunization, hearing and vision screening clinic for children will be held Wednesday, Jan. 17 at St. Peter's Church Hall, 557 Lake St., Antioch.

This free clinic will be conducted by the Lake County Health Dept. and will be open from 9 a.m. to 11:30 a.m. Appointments are not necessary. A parent or guardian must accompany all children.

Children can be immunized against Polio, d.p.t. (diphtheria, Whooping Cough, Tetanus), Measles, Mumps, Rubella (German Measles) and tested for hearing and vision.

All pre-school and school age children are welcome. Parents are asked to bring their children's past immunization records with them so that current immunization needs can be determined.

If the child has an immunization letter from the school nurse, it should also be brought to the clinic.

Waukegan hospital elects new officers

The Victory Memorial Hospital medical staff has elected Dr. David S. Helberg of Waukegan as its president for the coming year.

He officially took over the reins from outgoing president Dr. John J. Lorang of Antioch on Jan. 1.

Other officers at the December meeting of the medical staff include: Manoochehr Sharifi, M.D., president-elect; Antioch's Alan L. Thain, M.D., vice president; Wilbur F. Rowley, M.D., secretary-treasurer.

Appointed to a three-year term on the hospital governing board and executive committee was Dr. Lorang.

WAIT TILL YOU walk into the Gilded Cage in the Park Avenue Mall. The first painting you see will absolutely delight you ... not to mention all of the other beautiful paintings and items of interest in the store now owned by Jim and Sue Koppa.

DON'T FORGET TO MAKE your reservations for the Chamber of Commerce and Industry's annual dinner-dance ... it will be held Saturday, Jan. 20, at The Country House and you will enjoy dancing to the music of the "Favour" Band. Maybe the deadline is past, but maybe not — call Lee Trezise at the chamber office, 395-3381 if you haven't reserved a spot yet.

ALSO, WE HEAR there are now four entrants in the Miss Antioch contest, coming up soon.

That's fine but, gosh, it would be nice to have a few more. There certainly are enough pretty and talented young women around town to make this an excellent contest.

It's a new thing for the chamber, and Lee Trezise and Brad Ipsen (chairman of the event, who is an officer at the First National Bank) would like to hear from you.

If you know of a potential contestant, why not urge her to enter? I'll bet most of you guys know some "real winners."

CONGRATULATIONS ARE IN order for Mark and Audrey Reeves. They will be celebrating their second wedding anniversary the 15th. We're also glad to hear that

Audrey is coming back to work at Guys & Dolls Hairdressers. We hear their new son, Adam, is growing by leaps and bounds.

NOW I HAVE HEARD EVERYTHING! Could it really be true that Sharon Watson saw a kangaroo hopping across Fairview Rd. early one morning. Come on Sharon, an abominable snowman would have been easier to believe!! Try again!

HURRAY FOR HONEST PEOPLE! A local resident mistakenly left her purse in a shopping cart outside of the Globe. Someone turned it into the Globe and their employees contacted Annie Clemens and saw that it was returned to her. Annie is grateful to all who helped.

Lake Michigan fish not safe to eat?

Illinois Attorney General William J. Scott says his office has won a major victory in federal court which will save the taxpayers of Illinois hundreds of thousands of dollars.

Senior District Judge Julius Hoffman of the United States District Court dismissed a suit filed by the Outboard Marine Corporation which had attempted to force the state and federal government to pay for cleaning up contaminated sediment in Lake Michigan's Waukegan Harbor.

The sediment was contaminated when Outboard Marine dumped large quantities of polychlorinated biphenyls (PCB's) into the waters of the lake and the North Ditch which is a tributary of Lake Michigan.

The United States Food and Drug administration has ruled that fish containing greater than five parts per million (ppm) of PCB's is unsafe for human consumption and has prohibited the transportation of fish containing greater levels than that in interstate commerce.

Many Lake Michigan fish contain PCB concentrations well over that limit (and most authorities have recommended that no person consume more than one meal per week of Lake Michigan fish.)

Scott noted that the PCB concentration in the Waukegan Harbor is the highest of any location in the lake.

Outboard Marine, which manufactures Johnson Outboard Motors and Evinrude Outboard Motors, contended federal law required state and federal governments to pay for cleaning up existing pollution.

Scott argued that the law was only applicable when the person responsible for the pollution could not be located and the law did not intend to make the taxpayers responsible for removing a polluter's duty.

THE RULING DOES NOT affect another suit involving Outboard Marine's pollution of Waukegan Harbor.

On Aug. 10, 1978 Scott filed suit in federal district court against the company requesting the court to order Outboard Marine to fund a court-supervised study of the available techniques for removal and disposal of the PCB's that have accumulated in the harbor, in the North Ditch and on its property, and to remove and dispose of the PCB's in a manner that would not cause or contribute to further environmental damage.

The suit also asks the court to impose civil fines against Outboard Marine for each day it discharged PCB's after the Federal Water Pollution Control Act of 1972 became effective and for each day it violated provisions of the Illinois Environmental Protection Act of 1970.

Scott's suit is pending before U.S. District Court Judge Frank McGarr.

The most successful inventor of all time, Thomas A. Edison, was credited with 1,300 patents.

Miss Antioch candidates are sought

The Antioch Chamber of Commerce and Industry is sponsoring the first Miss Antioch Pageant.

"We know you have heard this before, but we can't stress it enough," said Lee Trezise, executive secretary.

"The date for the pageant, March 24, is fast approaching and we need both queen candidates and volunteers to help make this a spectacular event for our community."

To be eligible you must be 17 and a high school graduate, and not older than 26 on Labor Day, Sept. 3, 1979.

This would include any high school senior girl certain of graduation.

She must be an American citizen, never been married or had a marriage annulled, and must live, work or go to school in Antioch or boundaries set forth by the committee.

For more information, call the Chamber office any weekday from 9 to 4.

"We have confidence that Antioch has a girl meeting the qualifications necessary to represent us in the Miss Illinois Pageant and hopefully on to the Miss America Pageant," Mrs. Trezise said.

THE NEXT MEETING of the Miss Antioch Pageant Committee is scheduled Thursday at 7:30 p.m. at the First National Bank, 485 Lake St., Antioch.

Chairman Brad Ipsen is encouraging any volunteers not already committed to attend the meeting.

Comedy opens this Friday at Andre's

The comedy "Under Papa's Picture," by Joe Connelly and George Tibbels, will be presented by the American Repertory dinner-theatre, at Andre's Steak House in Richmond.

Featured in the cast are Jerry Collins of Woodstock, Don Beveroth of Salem, Wis.; Lillian Allen, Trevor; Ed Fish, Wonder Lake; Harry Todd, Ringwood and Ann Marie Cina and Yvonne Alton of McHenry.

It is the story of John Francis O'Connell, a young status conscious executive who uses every trick in the book to make it to the top.

Directed by Barbara D. Miller the comedy will be presented at Andre's Steak House, opening on Friday and running Fridays, Saturdays and Sundays thru Jan. 28.

Since seating is limited and reservations necessary, call (815) 678-2671 at an early date.

Actors interested in auditioning for future shows are invited to schedule an interview.

Happenings around our community...

SQUARE DANCERS are invited to join the Paddock Lake Squares as they dance to the calls of Johnny Toth, at their "Orange Bowl Badge Dance" Jan. 11 from 8 to 10:30.

The dance is at the Paddock-Hooker Lake Assn. Clubhouse, 250th Ave.

Refreshments will be served.

THE FIRST regular meeting of the new year for the Chain-O-Lakes Woodchippers is scheduled tonight from 7 to 9 p.m. in the civic room of the First Bank of Antioch.

Members and non-members are invited to watch Pat Kuper of Ingleside layout and rough in a figure on a large tree log. Pat recently took carving lessons from professional carver Chris Effrem of Minneapolis.

The Wednesday, Feb. 14 meeting will feature Margreth Janson of Waukegan demonstrating relief carving and finishing. The public is invited.

"UNDER PAPA'S PICTURE" - Member of the cast Don Beveroth, as Father Mitchell, rehearses a scene from the American Repertory Theatre Systems' dinner-theatre production directed by Barbara D. Miller. "Under Papa's Picture" will be presented at Andre's Steak House in Richmond, opening Friday and running weekends through Jan. 28. Dinner-theatre on Fridays and Saturdays is at 6 p.m., and Sundays at 1:30 p.m. Reservations are necessary and can be made by calling (815) 678-2671. - Photo by Michael Erickson.

Racquetball club will open soon

A mid-February opening is planned at the Lakeview Hills Racquetball Club Ltd., a quarter-mile south of Rt. 173 on Hy. 83.

It will be a private club with a limited amount of memberships, according to Bette Meyer, one of the owners.

Mrs. Meyer said the club's board of directors is hoping to offer a tour of the facilities late in January.

BUILT AT THE FORMER site of the Gilded Cage, which was owned by the Meyers, the racquetball club also offers facilities for handball and paddleball. There are six courts.

Another feature is an exercise room with an eight-station weight machine, a rowing machine, an exercise bicycle, a vibration machine and a slant board.

Men's and women's lockers rooms will include showers, saunas, hydro-massage, whirlpools and cosmetic accessories.

There also will be a lounge area with colored television

and a canteen. There will be a nursery, with attendants, to keep children "Safe and occupied," Mrs. Meyer said.

MEMBERSHIPS WILL BE for one year and family memberships will include children 18 and under.

Mrs. Meyer said certified instructors will be available for group and individual instruction.

Seminar at St. Terese

A seminar on "Cosmetic Plastic Surgery" designed to familiarize the interested public with the basic facets of aesthetic surgery will be held at St. Therese Hospital, 2615 W. Washington, Waukegan, at 7 p.m. on Jan. 19.

Dr. Steven P. Bloch and Dr. Luben Atzeff will speak on topics such as: concepts of Beauty, Rhinoplastics,

Facelifts, Chin Implants, Breast Augmentation and Reduction, and Adomino-plastics. Both are specialists in plastic and reconstructive surgery.

This one evening seminar open to the public is being held in Mother Leonarda Auditorium, adjacent to the hospital. No registration or charge.

French cuisine class slated

Two classes in French cuisine will be offered through the College of Lake County beginning Jan. 17.

One class (CER 729-001) will meet Wednesday afternoons from 1:30 to 3:30 at the Area Vocational Center in Grayslake, while a second class (CER 729-002) will meet on Wednesday evenings from 7:30 to 9:30 at Mundelein High School.

The class format includes lecture, demonstration, class participation and group nibbling. A registration fee of \$26.00, which does not include supplies, will be charged.

Instructor Catherine Fougnes lived in France for many years and attended the Paris Cordon Bleu School of French cooking this past summer.

For information on registration, call the office of community services and continuing education at 223-6601-Ext. 333.

Women of the Moose

By JUDITH PAGE

Senior regent Judith Kelly welcomed a new member, Catherine Phillips, at last Thursday's enrollment meeting of the Women of the Moose.

Judith thanked sponsor Anita Wisniewski for adding to the quota set by Moosehart.

Recorder Dorothy Tralewski read a communication from Mooseheart announcing the retirement of grand chancellor Kay Cancie. Antoinette Marinello, the former grand recorder, has been elevated to the position.

Marie Holden succeeds grand chancellor Marinello as the newly appointed grand recorder.

It was suggested that a congratulatory letter be sent from the Antioch chapter to Mooseheart on the new appointments.

The senior regent read the January calendar of events and reminded members of the business meeting to be held Jan. 18, 8 p.m.

ARIES [March 21-April 19] - As views are apt to change on certain issues, be prepared to do some explaining to associates who aren't willing to make concessions.

LIBRA [September 23-October 22] - Try to keep routine activities in order; don't make promises you can't keep. Let others work out their own differences and you stick close to own affairs.

SCORPIO [October 23-November 21] - Get some practical medical advice about health matters which concern diet and exercise. Keeping in good physical shape now is important as more energy is required.

SAGITTARIUS [November 22-December 20] - Be possessive of your leisure time which plays an important part in maintaining a well-balanced week.

CAPRICORN [December 21-January 20] - An impressive show you can now make with superiors by letting your creative talents come to the fore. Be more aggressive and communicative with your views.

AQUARIUS [January 21-February 19] - Unusual circumstances may put a temporary damper on plans but make the adjustment, taking things on a day-to-day basis. Relatives are quick with the advice.

PISCES [February 20-March 20] - The need for a quieter, more subdued pace is important. Seek some time alone to contemplate what's in store for the coming year and how to best advance your aspirations.

TAURUS [April 20-May 20] - Go about each task you undertake with patience and diligence. A week when you should pay more attention to thoroughness.

GEMINI [May 21-June 21] - Your optimism should rub off on associates; show enthusiasm and share newfound interests. Stars favor for new encounters which lead to a more promising future career-wise.

CANCER [June 22-July 21] - Your attempts to smooth things over with others may be mistaken as being too authoritative. Handle affairs which are of a personal nature without outside interference.

LEO [July 22-August 21] - By being diversified you are in a better position to grab onto new opportunities. Your major concern is making the right decision so look at all the pros and cons first.

VIRGO [August 22-September 22] - A more tactful attitude on your part is necessary now; ignore the urge to be too outspoken on issues that concern you.

FINANCIAL NEWS

[Editor's Note: This financial news column is designed for the general education of our readers. Mr. Schaub, assistant vice president of the Antioch Savings & Loan Association, will discuss areas such as taxes, insurance, investments and financial planning in general.]

The National Energy Act was recently signed into law by the President.

It allows tax breaks for energy saving improvements to your home. Improvements made between Apr. 20, 1977, and Jan. 1, 1986, can qualify.

Those made in 1977 or 1978 must be claimed on your 1978 return to be accepted. So gather your receipts, and be ready to save some taxes.

UNLIKE MOST tax breaks, these will be tax credits, not deductions. Credit is allowed for any item specifically and primarily designed to reduce heat loss from a dwelling or a water heater. A few of the things that qualify are: insulation, replacement burners, furnace ignition systems, clock thermostats, caulking, weather stripping, storm windows and doors, and thermal windows and doors.

Also, for the more ambitious, residential solar, wind

Philip Schaub

or geothermal (using the heat deep in the earth) systems can qualify for even larger credits.

THE FIRST TYPE of items would entitle you to credit equal to 15 percent of the first \$2,000 you spend. The maximum amount of tax credit for these types of improvements is \$300. The solar, wind and geothermal systems are much more expensive so they qualify for much larger credits.

The credit for those is 30 percent of the first \$2,000 and 20 percent of the next \$8,000. The maximum credit for these more comprehensive systems is \$2,000.

For example, let's say that you add storm windows and doors in 1979. You spend \$1,000 on this energy saving improvement to your home. When you file your tax return, you can take 15 percent of what you spent — \$150 — off your taxes due.

If you would have owed \$3,000 in taxes, without the credit, you now only have to send the IRS \$2,850. You've now used \$150 of the allowable tax credit.

IF YOU ALSO put \$3,000 of insulation in your house in 1980, you can use more of the tax credit. A total of \$3,000 of expenses would allow you to take a credit of

\$450 (15 percent).

But, now you run into the maximum. The maximum credit allowed is \$300, you've already used \$150 of what you're allowed. So you can only use \$150 of the potential \$450 tax credit the insulation could have qualified you for.

LET'S LOOK at another example, retrofitting your house with solar heat. Let's say you add solar heat to your house in 1982. You spend \$9,000 on the system. You could then take a credit of \$2,000 on your 1982 return. This credit is apparently independent of the credits for minor improvements discussed above. The credit amount would be calculated like this.

Amount Spent	Credit Percentage	Credit Allowed
First \$2,000	30 percent	\$600
Next \$7,000	20 percent	1,400
TOTAL		\$2,000

You could take the \$2,000 credit on your 1982 return and would still have \$200 of credit left for future solar, wind or geothermal systems added to the house.

I AM SORRY I can't give you any more details on exactly what does and doesn't qualify. I called the local IRS office to ask them and they told me to call back in a few weeks.

This law is so new that they don't have anything official on it yet. As soon as they do get some official information, I will put it in another column.

This column is meant for the general education of Antioch News readers. If you have specific questions on this topic you can call the IRS in Chicago at 435-1040 or on their toll free number at 800-252-2921.

YOUR TAX ACCOUNTANT or lawyer should also be able to advise you if these new tax credits apply to your situation.

If you have general questions you would like to see answered in this column, you can write to me either here at the Antioch News or at my office with the Antioch Savings and Loan.

Contest winner is Shirley Gutowski

Shirley Gutowski returned to the winner's circle last weekend in the Antioch News' basketball contest.

Shirley predicted Antioch would win by five points over Lake Zurich, and the Sequoias won by four. (Shirley's son, Dave, played a part in the victory.)

So, Shirley wins a \$15 gift certificate from the Ben Franklin Family Center.

THERE WAS A THREE-WAY tie for second in the contest. Cathy Tanner and Robbie Learmont each picked Antioch by six, while Gary Doolittle predicted the Sequoias would win by two.

Since each of the three was two points off the actual outcome, we had to use the tie-breaker ... the game in which the Antioch sophs lost by six points.

Robbie came closest in the tie-breaker and will receive a \$10 gift certificate from Lyons-Ryan Ford.

Gary was second closest and will be sent a \$5 gift certificate from Andre's Steak House in Richmond.

ANOTHER INTERESTING CONTEST is coming up this week.

The "game of the week" is Antioch's Friday night duel here with Stevenson, for the conference lead.

Be sure to see page 15 and enter. There are \$30 worth of prizes again.

There is a pond in Connecticut called Lake Inferior.

THE TEACHERS OF DISTRICT 34 THOUGHT YOU SHOULD KNOW:

About Your New Superintendent

Since Superintendent Skidmore assumed his responsibilities, we feel he has accomplished very little in improving the quality of education in Antioch. Never has the morale of teachers been so low. Never have so many positive programs which have taken years of dedication to develop been threatened or erased. Never have so many professional educators felt so sure that a superintendent has been one of the major road blocks to the success of negotiations.

About Your Old School Board

When asked, "Would you agree that teachers have the right to pursue their religious, social and political activities after school hours" the school board answered, "No!" Does this sound like a school board that is willing to negotiate in good faith? They intend to deny every teacher his constitutional rights. We believe this school board has shown very little interest in signing a contract, but rather enjoy misusing their power to destroy any atmosphere of good faith.

We Continue To Work Without A Contract

If we accept the board's present meager offer we would continue to be the lowest paid teachers group that the taxpayers of Antioch support. College of Lake County teachers, Antioch High School teachers, and Lake County Special Education teachers, all supported by you are paid substantially more than the teachers of District 34. Yet, we have as much or more educational training, and we feel our job at the elementary school level is as critical as the aforementioned groups to the educational process. We deserve equal pay for our service.

They Are Spending Your Money

Our board says they don't have the money to meet our small demands, yet they pay a high-priced professional negotiator who they will not allow to do his job. The board ties his hands at every negotiations session. The board has wasted money hiring a professional whose advice they will not take. So far the actors have changed but the script remains the same - "no!" "drop." "reject."

Emmons 7th grade continue to win

The Emmons seventh grade basketball team ran its record to 12-0 with a 44-13 win in a non-conference game against St. Peters. The raiders are 8-0 in conference play.

The Emmons ball club started slowly, but gained momentum in the second quarter to build a 30-3 halftime lead.

St. Peters held high scoring John Mahar to only seven points, but Mike Christiansen and Ed Kuligowski compensated from the outside with 15 and 12 points respectively.

Coach Spillner praised

the outstanding defensive play of Rod Steiskal, Steve Mueller and Stan Kuligowski. Christiansen's 15 points and Ed Kuligowski's 12 were season highs for each player.

Emmons' next home game will be next Tuesday night against non-conference rival Antioch.

It's snowball time again at Dug Out Park in Trevor, Wis.

The 6th annual 16-inch snowball tournament will be held Feb. 3 and 4.

The game is played with red, white and blue 16-inch softballs and automobile tires for bases.

"The more snow the better," said tournament director Tom Furlan.

Entry fee for the tourney is \$50. There is a consolation division which means if you lose your first game you play again in another bracket.

There will be sponsor

trophies and traveling expense for first, second and consolation champs. Also championship t-shirts to the winning team.

There are limited openings so call Furlan at (414) 862-9136 or (312) 395-5788.

Entries can be mailed to Dug Out Park, Rt. 1, Box 321, Trevor, Wis. 53179.

The 1978 snowball champs were the Free-loaders from Addison, Ill. Dug Out Park is on Hy. 83, two miles north of Antioch.

Sequoits beat Lake Zurich 66-62

Antioch High's Varsity Sequoits retained its number one basketball conference status last Friday as they beat Lake Zurich 66-62, with four Sequoit players scoring in double figures.

And this weekend, in two home games, Antioch will face some of its toughest opposition. At 8 p.m. Friday, Antioch will play for the conference lead as it takes on Stevenson, which is currently tied for first place with the Sequoits. Both teams are 4-1.

At 8 p.m. Saturday, Antioch will face non-conference opponent Lake Forest at home.

In last Friday's game, when Antioch traveled to Lake Zurich, the team put up a stout defense in limiting conference scoring leader Matt Hildebrandt to only 14 points.

The Sequoits started fast and with 6:19 left in the second quarter held an eight point lead, 24-16. But Lake Zurich went to a zone defense and Antioch had a hard time adjusting. By the end of the half the Bears led by four points, 33-29.

In the second half, the Antioch cagers adjusted and were able to score against the zone, but Lake Zurich still led 48-47 at the end of the third quarter.

The fourth quarter belonged to Roger Korjenek and Dave Gutowski. Sequoit coach Roger Andrews said, as each scored eight points to lead the Antioch surge to victory.

With three minutes left, the Sequoits led 59-56 and played controlled ball. Gutowski hit a jump shot and three free throws and Korjenek hit two free throws to help ice the victory.

Andrews said Antioch grabbed 32 rebounds, shot 38 percent and had 13 turnovers in the victory. Lake Zurich had 30 rebounds, shot 43 percent and also had 13 turnovers.

He said the game was "an excellent team effort with great defense. The team came ready to play."

"The league has real fine balance this year. The team that's ready to play each game is going to win the conference race, and it can be us," Andrews added.

"I am real proud of these young men, they have developed and are real coachable, always improving - it's a fine group of young men. Pete Ploss and Dave Gutowski have carried us so far, but the others, Scott Gallagher, Roger Korjenek and Chris Oddsen are really starting to show their talent too," he said.

The present Northwest Suburban League Conference standings are:

Antioch: 4-1	Warren: 3-2
Stevenson: 4-1	Wauconda: 3-2
Grant: 3-2	Grayslake: 0-5
Lake Zurich: 3-2	Round Lake: 0-5.

Frosh rout Lake Zurich in 51-34 conference win

Antioch's freshmen basketball squad won its third conference game of the season by routing Lake Zurich's Bears 51-34 Saturday. Antioch led from the outset and was never really threatened. The young Se-

quoits hit five for twenty from the line.

Matt Stevens led all scorers with 13 points. Steve Sheedlo added ten points and Mike Pinkham, Keith Larsen and Tim Higgins each contributed eight

points.

Larsen and Higgins helped Antioch dominate the boards with 13 and 10 rebounds respectively. All of Higgins' points and re-

bounds came in the fourth quarter, which is when he entered the game.

Antioch takes on Stevenson Saturday in the Sequoit gym.

J.V. basketball win 73-51

Antioch's JV basketball team beat Lake Zurich last Saturday, to up their record to 3 and 1.

Ron Nauman led the scoring with 17 points. Pat Sikorski and Kirt Selak added 16 and 14 points each. Nauman and Selak led the team in rebounding with 14 and 9 respectively. Leading the JVs in scor-

ing over the first four games is Ron Nauman with a 17 point average and Kirt Selak with a 12 point average. Nauman is averaging 12 rebounds per game with Mike Anderson leading the team in assists with 12.

The team's next games are at home against Stevenson Saturday and Monday afternoon at Lake Forest.

ACHS varsity wrestlers win 54-3

Antioch wrestlers overwhelmed conference foe Lake Zurich 54-3 last Friday night on the home mats. The Sequoits are now 3-0 in conference meets and tied with Grant for the league lead.

Saturday Antioch traveled to Crystal Lake and lost to Crystal Lake Central 30-26 and Crystal Lake South 33-22. Antioch was forced to forfeit five weights to both schools giving them a 30 point advantage. The Sequoits lost only one match of the

14 wrestled but were unable to come up with enough pins to make up for the missing weights.

Triple winners for the Sequoits included Tim Haviland 119, Glenn Kaht 138, Kirt Sarmont 145 and Ted Bessette Hwt.

Friday the Sequoits travel to Stevenson for a conference meet and Saturday Antioch hosts three tough opponents when Highland Park, Wheeling and Holy Cross visit for a triple dual.

JV wrestlers continue to win

The Antioch junior-varsity wrestlers brought their record to an impressive 10 wins with 1 loss this season.

A 42-15 win over Lake Zurich on Friday was highlighted by pins from Dan Larsen, Rob Crowell, Mike Mercer, Mitch Lasco; Gene Lehn and Mitch Case.

On Saturday, the squad traveled to Crystal Lake Central and Crystal Lake South and came home with

69-0 and 44-9 wins. Mitch Lasco, Jeff Gross, and Mike O'Hara did impressive jobs with pins over the opponents, their coach said.

The Sequoits are now 3-0 in the conference and are working for the conference showdown in three weeks against Grant.

This week they wrestle against Stevenson, Holy Cross, Highland Park and Wheeling High Schools.

Frosh wrestlers win 3

The Antioch wrestling freshmen won three dual meets recently. They met the Lake Zurich Bears last Friday at Antioch and beat them 48-11. Saturday they

defeated the Crystal Lake South Gators 33-24 and Crystal Lake Central 39-22.

Heading up the winning weekend with exceptional efforts were Bob Thain, 98 lbs with three wins. John Wohlfeil won his three matches.

The following wrestlers won two of their three matches: Steve Nordstrom, Pete Kessler, Alex Apostol, John Filkey, Tim Smith, and Erdie Cole.

Other winners for Antioch were: Joe Emmerich, Cameron Adkins and Rick Schlarbaum.

The freshmen's overall record stands at 5-4. In conference their record stands at 2-1.

The team will wrestle Stevenson High School Friday at Stevenson. Saturday they will be in a quadrangular meet with Wheeling, Holy Cross and Highland Park at Wheeling.

Family Twosome bowling meet set

By LOIS HARTMAN

The annual Family Twosome tournament at Antioch Bowling Lanes will begin Saturday, Jan. 27, at 2:30 p.m. and Sunday, Jan. 28, at 1 p.m. Bowling will continue on Feb. 3 at 2:30 p.m. and Feb. 4 at 10 a.m.

Anyone wanting to bowl must sign up in advance. Entry forms are at the lanes and early registration is suggested.

ANY ADULT (19 years or older, or a high school graduate) who is a member of a 1978-79 adult league may bowl with any girl or boy who has a current membership in an organized youth league.

Adult partners must have bowled a minimum of 21 games as of Jan. 1. The youth partner must have bowled a minimum of 12 games.

Both bowlers must use his or her highest league average. Adult bowlers can be either relatives of their junior partners or residents of the same community. For the purpose of the rule, bowling at Antioch Bowl will constitute community affiliation.

THERE ARE four divisions and three categories in each division. Adult bowlers can bowl with as many different youth bowlers as they wish, but only once with the same partner.

Youth bowlers can bowl only once in each eligible division. Each division and category that has at least five teams entered will advance the top team to the affiliate finals round on Apr. 7. One additional team will be eligible for the affiliate finals for each five teams in a division and category.

TROPHIES WILL BE awarded to the youth partners of the winning teams at Antioch Bowl and in the affiliate finals.

Anyone needing further information can call Lois Hartman at Antioch Bowling Lanes, 395-1155.

THE YBA TEAM tournament affiliate finals were held at Grand Bowl in Waukegan.

Antioch Bowl sent 10 teams and two won first place. They will participate in the state finals on Saturday, Jan. 13 at Rolling Lanes in Countryside at 2:30 p.m.

Winning first place in the prep girls division was State Bank No. 5 with 2,939. Members of the team are Kelly Williamson, Kim Nicholl, Sunday Smith, Tammy Doolittle and Susan Steiskal.

Winning first place in the junior girls division was Erickson's Sewing Center with 2,757. Dawn Smith, Andrea Anderson, Kelly Propeck, Andrea Kohl and Kim Stender bowl for Erickson's.

THE BEST TEAM in the prep girls division of the Youth Bowling Association finals in Waukegan included (from left) Kelly Williamson, Susan Steiskal, Tammy Doolittle

and Kelly Williamson. Not pictured is Sunday Smith. The girls represented the State Bank of Antioch. (Andy Dugenske photo.)

WINNING TROPHIES for their performances in the Youth Bowling Association tournament held at Antioch Bowl were Ann Ivy (left) and Kim Nicholl. Ann won two trophies, for scores of 198 and 492, while Kim earned her award as a member of the first-place State Bank of Antioch team. (Andy Dugenske photo.)
